Resolution Authorizing a Purchase Order to York/Johnson Controls Corporation to Replace Six
(6) Right-Handed Resource Heat Pumps at the Pender County Courthouse: \$15,809

SUBJECT: Purchases/Bids

ACTION REQUESTED:

The Board of Commissioners is requested to authorize a purchase order to York/Johnson Controls Corporation in the amount of \$15,809 to replace six right-handed resource heat pumps at the Pender County Courthouse.

HISTORY/BACKGROUND:

The existing heat pumps which serve the Courthouse were installed in 1986. The compressors on the units have failed, and would be more expensive to fix than replace the units.

EVALUATION:

Due to the age of the existing resource heat pumps and the potential for more problems, coupled with their inefficiency, it is recommended to replace the existing units. In January 2006 competitive bids were obtained for replacing left-handed resource heat pumps and York/Johnson Controls, Inc. was awarded the bid. York/Johnson Controls Inc. has agreed to replace the right-handed resource heat pumps at the same price quote so therefore bids were not obtained.

MANAGER'S RECOMMENDATION:

Respectfully recommend approval.
